

Civil Protection in European Union

| | |
|-----------------------|---------------------------------|
| profile | general academics |
| degree | first degree |
| programme | ERASMUS |
| semester | 1 |
| part time / full time | full time |
| ECTS | 2 |
| coordinator | kpt. dr hab. (UFU) Oksana Telak |

form of the activity: exercise

| | |
|--------------------------|--|
| hours | 15 |
| prerequisites | Achieving learning outcomes in the thematic areas of subjects conducted in previous semesters. |
| objectives | The primary goal of teaching this subject is to acquire and consolidate knowledge about civil protection in the EU, the context and origins of its establishment, definitions, development, and evolution of the concept from the scientific perspective and the system based on adopted legal and organizational solutions, the current legal and organizational state, and future development trends. Specific objectives include familiarization with practical examples of civil protection actions in the EU, understanding the relations between civil protection - civil defense - rescue - humanitarian aid, and the dependencies between other subsystems of national security. |
| methods | Lecture - lecture, discussion, problem-based method; Exercises - case study, problem-based method, brainstorming. |
| own work | Studying the subject literature, preparing for discussions during exercises, preparing for tests and exams. |
| basic literature | 1.Civil Protection and Domestic Security in Contemporary Hybrid Warfare Ed. by Wojciech Wróblewski, Michał Wiśniewski, Jędrzej Bieniasz. 2. Zarys teorii bezpieczeństwa obywateli - ochrona ludności na czas pokoju; J. Wolanin 3. System reagowania kryzysowego Unii Europejskiej. Struktura - charakter - obszary; J. Gryz 4. Ochrona ludności. Bezpieczeństwo, nauka i edukacja; R. Kalinowski 5. Bezpieczeństwo ludności cywilnej. Pojęcie, organizacja i zadania w czasie pokoju, kryzysu i wojny; W. Kitler, A. Skrabacz 6. Ustawa o ochronie ludności |
| supplementary literature | B. Michailiuk. Ochrona ludności. Wybrane problemy.2017. |

| contents | hours |
|--|-------|
| The origins of the phenomenon of civil protection, civil defence and humanitarian aid, its institutionalisation in the European dimension. | 2 |

| | |
|--|---|
| Concepts, structures, mechanisms and evolution of civil protection in the EU. | 2 |
